Program Guide

Winter 1977

Our programming may change from time to time, but our function remains the same. We are KUCI, UC Irvine's non-commercial radio station. Located at 89.9 on the FM dial, we're here to serve the surrounding community. It's a job we've been faithfully doing for over seven years now. There is a catch. The only way we can continue to do this, is to receive feedback from the community. This means YOU. If you have any questions or comments about our programming, write to me at:

PROGRAM DIRECTOR

Public Affairs

KUCI's Public Affairs plays an important role in the total programming of the station. We are trying to be responsive to the needs of all of the local community, so if you have any suggestions, please send them to KUCI.

SPECTRUM—MONDAY, WEDNESDAY, FRIDAY 11-11:30 a.m.

SPECTRUM brings you the best in a wide variety of public interest programming. Local interviews and features from NASA, Radio Moscow, and Rolling Stone make up an interesting half-hour designed to fill you in on the community and the world.

SCAN—MONDAY 11:30-noon.

An examination of some of the social problems prevalent throughout the country; such as rape, welfare, and aging. Rather than being a cold, impersonal report, it deals with people as individuals.

SANE VIEWS THE WORLD—WEDNESDAY 11:30-noon.

Timely discussions of the issues facing our government, both here and abroad. If politics is your "bag," this is for you!

THE HISTORY OF ROCK 'N' ROLL—TUESDAY 8-9 p.m.

Everything you know is wrong! Chuck Berry was **not** the dominant force in the 50's! The Four Seasons, at one time, were a hotter group than the Beatles! David Bowie is a jerk! For all this and more, it's THE HISTORY OF ROCK 'N' ROLL!

WOMEN'S ISSUES—WEDNESDAY 8-9 p.m.

Man or woman, if you want to raise your consciousness, tune in WOMEN'S ISSUES, as Francie Rehwald presents topics and personalities of special interest, both from the UCI campus and the local community.

LINER NOTES—THURSDAY 8-9 p.m.

Each week, LINER NOTES focusses on a major artist or group on the contemporary music scene. It gives the "inside scoop" on all the happenings in rock 'n' roll. If you want to be in the know (and hear some fine music) tune in.

HATIKVAH, THE AMERICAN JEWISH RADIO HOUR—SATURDAY 11-noon.

Host Gad Meir features a wide variety of Israeli music, interviews with leading Israelis, news and politics, *Israel Magazine*, a survey of the Israeli hit parade, plus a calendar of events for the Jewish community.
